

Jordans Mill Tract

Offered for \$ 5,495 / Acre

+/- 91.76 Acres | Jordans Mill Road | Greene County, GA | 30678

One piece has it all. Hunt, timber, recreate, live. Located in Greene County and just minutes from Greensboro outside the city limits of White Plains. This incredible tract boasts 25+/- year old thinned planted pines with a great road system and several nice open fields. This property has approximately 230+/- feet of paved frontage where the pavement ends and 2500+/- feet of frontage on the county gravel road. There is a high ridge overlooking the meandering creek that crosses through the property with a great hardwood bottom. There are several nice homesites on this property. This is one of the most well managed farms that I have seen in a while. Beautiful views and incredible wildlife opportunities. Won't last long! Call Mark Costello to view. 706-207-5850
